Expression Face camera - happy

A large central canvas showing an animated character with arms raised and a speech bubble. The scene includes text for 'GOANIMATE.COM ANIMATED VIDEOS' and a list of learning styles: Visual, Auditory, Read / Write, and Kinaesthetic. It also references 'Fleming & Mills (1992)'. The character is a man with glasses and a mustache, wearing a white shirt and tie. The speech bubble contains the text: 'IT'S EASY TO USE BUT ALSO HAS THE FLEXIBILITY TO CUSTOMISE WHATEVER YOU WANT TO'. The background is white with a light grey reflection at the bottom.

SCENE SETTINGS ADD SCENE

A timeline at the bottom of the interface showing scene durations (1, 2, 3, 4, 5, 6) and corresponding audio waveforms. The timeline is marked with time intervals from 5s to 30s. The audio tracks show the sound levels for each scene and overall audio.

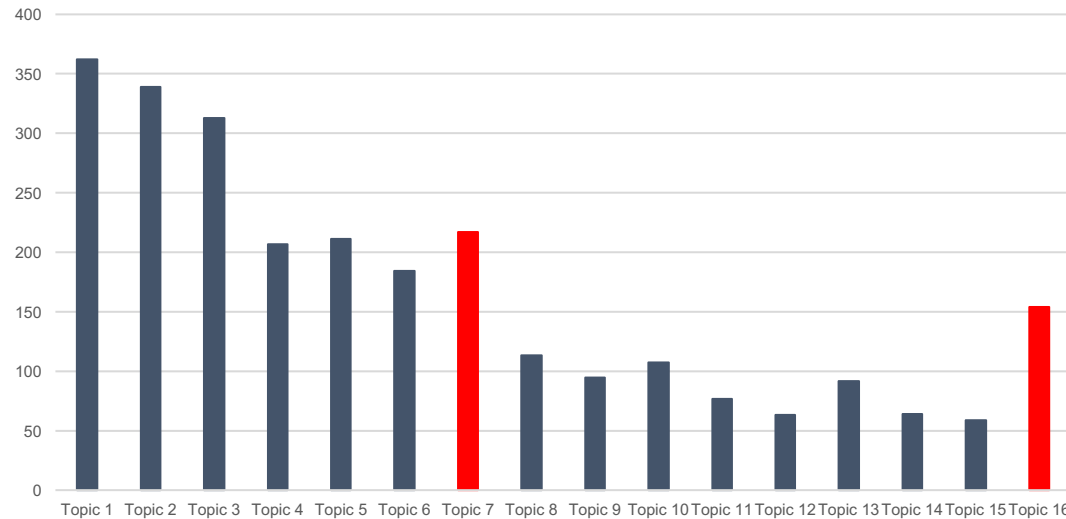

Benefits

- Fast transmission small-moderate information
- Light-hearted, fun
- Limited only by imagination
- Low resources required (subscription)

Limitations

- Effort vs Impact
- Not suitable for all topics
- Loses novelty / impact
